VII Jornadas Internacionales sobre Paleontología de DINOSAURIOS y su entorno

SECOND CIRCULAR

APRIL 2016

INVITATION

The *Colectivo Arqueológico y Paleontológico Salense*, (C.A.S.) and the *Museo de Dinosaurios de Salas de los Infantes* are preparing the celebration of the 6th Symposium about Dinosaur Palaeontology and their Environment, which will be held in Salas de los Infantes (Burgos, Spain) in September 8-10th, 2016. Together with the above-mentioned institutions the *Universidad de Zaragoza*, the *Universidad del País Vasco/EHU* and the *Universidad de Salamanca* participate in the organization of this symposium.

The main objective of this symposium is the presentation and discussion of recent advances on dinosaur palaeontology and everything related to the Mesozoic ecosystems. To accomplish this objective 8 keynote speakers have been selected among the best Mesozoic palaeontologists. Senior and junior researchers are encouraged to submit and abstract to the 6th Symposium about Dinosaur Palaeontology and their Environment. It is also planned to hold a round table and a field trip to a palaeontological site.

LANGUAGE

The official languages of the symposium will be:

- Abstracts: English and Spanish
- Oral presentations: English, Spanish and French.
- Posters: English and Spanish.

The **topics discussed at the Congress** are:

- Footprints, bones and fossil eggs of dinosaurs.
- Mesozoic flora.
- Contemporary dinosaur animals: vertebrates and invertebrates.
- The Mesozoic ecosystems: development and crisis.
- Conservation and restoration of paleontological sites and fossil pieces.
- Palaeontological research and educational applications.
- Management and enhancement of the paleontological heritage related to the environment of dinosaurs.

VENUE

The oral and poster presentations will take place in the Palacio Municipal de Cultura de Salas de los Infantes, Avd/ Infantes de Lara, nº 13, Salas de los Infantes.

STANDARDS FOR ABSTRACT SUBMISSION AND PRESENTATIONS

The abstracts must have an extension of 3 pages and must be submitted in Word format. To format the text and including the references there is available a template in <http://vijornadassalas.blogspot.com.es>. The text must be written in English language (mandatory) and optionally a Spanish/French abstract can also be included.

The oral presentations will be done in Powerpoint and will spend 15 min. as maximum including possible questions. We encourage the authors to submit oral presentations. Depending on the number of participants some of the presentations will be posters. The posters size must be 90x120 cm. They will be hanged during the first day and will be removed at the end of the symposium.

The submitted works will be published in an abstracts book, available during the Symposium. Selected papers will be published in the *Journal of Iberian Geology* (included in SCI), and will be subjected to peer review.
